

When teamwork matters.

We believe that everyone counts and that the right people can do great things together.

We want you!

At NanoTemper Technologies, we have a big mission — to enable researchers to do the best science of their lives. Since 2008, we've been developing, producing and selling cutting-edge instruments for protein analysis. With headquarters in Munich and 10 subsidiaries around the world, we are known for our local and personalized customer-centric approach. We've also won numerous company and product awards, namely Innovator of the Years 2017 and 2018 for the Top 100 companies in Germany.

Chief Scientific Officer (M/F/D)

Munich
