

Job offer Intern Analyst – Life Sciences Venture Capital

LSP (Life Sciences Partners) is a European investment firm, providing financing for private and public life sciences companies. With over €1.8 billion (\$2.0 billion) of investment capital under management and offices in Amsterdam, Munich and Boston, LSP is Europe's leading life sciences investor. Since the late 1980s, the LSP team has invested in about 100 innovative enterprises, many of which have grown to become leaders of the global life sciences industry.

For our Munich office we are recruiting an **Intern Analyst** to join our global investment team for 6-12 months. The position provides a unique opportunity for PhD students with a background in biomedical sciences and interest in business to actively participate in and support the day-to-day operations of a venture capital fund.

Requirements:

- strong scientific background in the biomedical field (PhD or equivalent)
- strong analytical skills
- strong interpersonal and communication skills
- self-starter who is flexible, highly motivated, engaged, self-organized
- passionate about translating biomedical innovation into innovative therapies
- ability to quickly get on top of a topic
- working language: English and German

Start date is as soon as possible!
